Excerpt from Human Resources Website

Executive Service – These positions are assigned to the Administrative and Professional Classification Plan and ordinarily report directly to the President. These positions are responsible for or are significantly involved in policy making at the University, do not have tenure and do not have any expected appointment beyond a 60 days' notice period.

Administrative and Professional (A&P) – These positions perform administrative and management responsibilities or professional duties at the department/unit level or above.

Faculty – These positions are assigned the principal responsibility of teaching, research, or public activities or administrative responsibility for functions directly related to the academic mission.

University Support Personnel System (USPS) – These positions perform professional, paraprofessional, administrative, clerical, secretarial, technical, skilled crafts, service or maintenance duties.
