**Subject:** Presidential Evaluation Summary Form

**Rationale:** The 2015-2016 Presidential Evaluation Summary Form was adopted by the Board on December 11, 2016 is being amended by stipulating that the overall rating (1 - Exceeds, 2 - Meets, Not Meet) shall be determined by dividing total score of the evaluators by the number of evaluators to come up with the "average" score rather than determining the overall rating by the counting the individual rating given by the "majority" of the evaluators. The amended summary evaluation will help to ensure that every Trustee's vote has equal weight in determining the overall rating.
