Whenever two or more bids which are equal with respect to price, quality, and service are received by the State or by any political subdivision for the procurement of commodities or contractual services, a bid received from a business that certifies that it has implemented a drug-free workplace program shall be given preference in the award process. Procedures for processing tie bids, such as flipping a coin or drawing straws publicly and in the presence of witnesses, will be followed if none of the tied vendors have a drug-free workplace program. In order to have a drug-free workplace program, a business shall:

Finally, the bid, which relates to commodities manufactured within the State of Florida or from any foreign manufacturer with a factory in the State employing over 200 employees working in the State,

shall be given preference over the bid from any other bidder and any other foreign manufacturer, respectively.

- g. In the event of such default, delay or failure to perform, any date or time by which either party is otherwise scheduled to perform shall be extended automatically for a period of time equal in duration to the time lost by reason of the excused default, delay or failure to perform.

REMEDIES

A. Any dispute concerning performance of this Agreement shall be decided by the Division's designated contract manager, who shall reduce the decision to writing and serve a copy on the Contractor. The decision shall be final and conclusive unless within twenty-one (21) days from the date of receipt, the Contractor files with the Division a petition for administrative hearing. The Division's decision on the petition shall be final, subject to the Contractor's right to review pursuant to Chapter 120 of the Florida Statutes. Exhaustion of administrative remedies is an absolute condition precedent to the Contractor's ability to pursue any other form of dispute resolution; provided, however, that the parties may employ the alternative dispute resolution procedures outlined in Chapter 120.

B. In the event the Contractor fails to satisfactorily perform or has failed to adhere to the terms and conditions under this Agreement, the Division shall, upon fifteen (15) calendar days written notice to the Contractor and upon the Contractor's failure to cure within those fifteen (15) calendar days, exercise any one or more of the following remedies, either concurrently or consecutively:

- 1) Withhold or suspend payment of all or any part of a request for payment.
- 2) Require that the Contractor refund to the Division any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.
- 3) Exercise any corrective or remedial actions, to include but not be limited to:
 - a) Requesting additional information from the Contractor to determine the reasons for or the extent of non-compliance or lack of performance;
 - b) Issuing a written warning to advise that more serious measures may be taken if the situation is not corrected;
 - c) Advising the Contractor to suspend, discontinue or refrain from incurring costs for any activities in question; or,
 - d) Requiring the Contractor to reimburse the Division for costs incurred for any items determined to be ineligible.

C. Pursuing any of the above remedies will not keep the Division from pursuing any other rights or remedies which may be otherwise available under law or in equity. If the Division waives any right or remedy in this Agreement or fails to insist on strict performance by the Contractor, it will not affect, extend or waive any other right or remedy of the Division, or affect the later exercise of the same right or remedy by the Division for any other default by the Contractor.

D. The Contractor and the State of Florida recognize that in actual economic practice, overcharges resulting from antitrust violations are in fact usually borne by the State of Florida. Therefore, the Contractor hereby assigns to the State of Florida any and all claims for such overcharges as to goods, materials or services purchased in connection with this Agreement.

LIQUIDATED DAMAGES

A. The Contractor shall be responsible for any and all consequential damages resulting from the breach of this Agreement, and if consequential damages are not calculable, then this Liquidated Damages provision shall apply.

B. NOTICE OF DEFAULT. The Contractor will promptly notify the Division upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any Service, Deliverable, or Project; or if the Contractor uses or authorizes a third party to use Division Materials beyond the license for use. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance, and will inform the Division of the steps the Contractor is taking, or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Division has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Division and use commercially reasonable efforts to perform its obligations on time notwithstanding the Division's delay. Provided that the Contractor satisfies the requirements of the immediately foregoing sentence, the Contractor will not be liable for liquidated damages if and only to the extent that the Contractor's applicable failure to perform or delay in performing is caused by the Division.

C. AMOUNT OF LIQUIDATED DAMAGES. Applicable liquidated damages are the amounts established in the following schedule:

Original Contract Amount Daily Charge Per Calendar Day

\$50,000 and under.....	\$956
\$50,000.01 to \$249,999.99.....	\$964
\$250,000 to \$499,999.99.....	\$1,241
\$500,000 to \$2,499,999.99.....	\$1,665
\$2,500,000 to \$4,999,999.99.....	\$2,712
\$5,000,000 to \$9,999,999.99.....	\$3,447
\$10,000,000 to 14,999,999.99.....	\$4,866
\$15,000,000 to \$19,999,999.99.....	\$5,818
\$20,000,000 and over.....	\$9,198 plus 0.00005 of any amount over \$20 million (round to nearest whole dollar)

The total liquidated damages to be applied in any month of the Contract will not exceed ten (10) percent of the monthly compensation paid to Contractor.

D. DETERMINATION OF NUMBER OF DAYS OF DEFAULT. For all contracts, regardless of whether the Contract Time is stipulated in calendar days or working days, the Contractor will count default days in calendar days.

E. CONDITIONS UNDER WHICH LIQUIDATED DAMAGES ARE IMPOSED. If the Contractor, in the case of default, fails to complete the work within the time stipulated in the Contract, or within such extra time that the Division may have granted the Contractor, then the surety shall pay to the Division not as a penalty, but as liquidated damages, the amount so due as provided in the schedule above.

F. RIGHT OF COLLECTION. The Division has the right to apply as payment on such liquidated damages, any money the Division owes the Contractor.

G. ALLOWING CONTRACTOR TO FINISH WORK. The Division does not waive its right to liquidated damages due under the Contract by allowing the Contractor to continue and to finish the work or any part of it after the expiration of the Contract Time.

H. COMPLETION OF WORK BY THE DIVISION. In the case of a default of the Contract and the completion of the work by the Division, the Contractor and his surety are liable for the liquidated damages under the Contract, but the Division will not charge liquidated damages for any delay in the final completion of the Division's performance of the work due to any unreasonable action or delay on the part of the Division.

CONTRACT TERMS REQUIRED BY FEDERAL LAW

A. Equal Employment Opportunity. During the performance of this contract, the contractor agrees as follows:

1) The Contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The Contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.

2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.

3) The Contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the Contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

4) The Contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

5) The Contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

6) In the event of the Contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the Contractor

may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

7) The Contractor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The Contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: provided, however, that in the event a Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the Contractor may request the United States to enter into such litigation to protect the interests of the United States.

B. Copeland "Anti-Kickback" Act

1) Contractor. The Contractor shall comply with 18 U.S.C. § 874, 40 U.S.C. § 3145, and the requirements of 29 C.F.R. pt. 3 as may be applicable, which are incorporated by reference into this contract.

2) Subcontracts. The Contractor or subcontractor shall insert in any subcontracts the clause above and such other clauses as the FEMA may by appropriate instructions require, and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime Contractor shall be responsible for the compliance by any subcontractor or lower tier subcontractor with all of these contract clauses.

3) Breach. A breach of the contract clauses above may be grounds for termination of the contract, and for debarment as a contractor and subcontractor as provided in 29 C.F.R. § 5.12.

C. Contract Work Hours and Safety Standards. In accordance with 40 U.S.C. 3702 of the Act, the Contractor shall compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation.

D. Clean Air Act and the Federal Water Pollution Control Act. Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

E. Suspension and Debarment.

- 1) This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the Contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935).
- 2) The Contractor and any subcontractors must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.
- 3) This certification is a material representation of fact relied upon by FAMU. If it is later determined that the Contractor did not comply with 2 C.F.R. pt. 180 subpart C and 2 C.F.R. pt. 3000 subpart C, in addition to remedies available to FAMU, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- 4) The bidder or proposer agrees to comply with requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000 subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agree to include a provision requiring such compliance in its lower tier covered transactions.

F. Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of more than \$100,000 shall file the required certification. Each tier certifies to the tier above that it will not and has not used federally appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, officer or employee of Congress, or an employee of a Member of Congress in connection with obtaining any federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-federal funds that takes place in connection with obtaining any federal award. Such disclosures are forwarded from tier to tier up to the recipient who in turn will forward the certification(s) to the federal awarding agency.

In addition, contractors must be required to pay wages not less than once a week. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

(F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of “funding agreement” under [37 CFR § 401.2](#) (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that “funding agreement,” the recipient or subrecipient must comply with the requirements of [37 CFR Part 401](#), “Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements,” and any implementing regulations issued by the awarding agency.
