INSTITUTIONAL INFORMATION FOR REVIEWERS
--

Directions:

Please address the following and attach the information to this form.

1. History and Characteristics

Provide a brief history of the institution, a description of its current mission, an indication of its geographic service area, and a description of the composition of the student population. Include a description of any unusual or distinctive features of the institution and a description of the admissions policies (open, selective, etc.). If appropriate, indicate those institutions that are considered peers. Please limit this section to one-half page.

2. List of Degrees

List all degrees currently offered (A. S., B.A., B.S., M.A., Ph.D., for examples) and the majors or concentrations within those degrees, as well as all certificates and diplomas. For each credential offered, indicate the number of graduates in the academic year previous to submitting this report. Indicate term dates.

3. Off-Campus Instructional Locations and Branch Campuses

(Please note: This section has been extensively revised.)

List ***all locations*** where 50% or more credit hours toward a degree, diploma, or certificate can be obtained primarily through traditional classroom instruction. Report those locations in accord with the Commission's definitions and the directions as specified below.

Off-campus instructional sites—a site located geographically apart from the main campus at which the institution offers ***50 % or more*** of its credit hours for a diploma, certificate, or degree. This includes high schools where courses are offered as part of dual enrollment. For each site, provide the information below. ***The list should include only those sites reported and approved by SACSCOC.*** Listing unapproved sites below does not constitute reporting them to SACSCOC. In such cases when an institution has initiated an off-campus instructional site as described above without prior approval by SACSCOC, a prospectus for approval should be submitted immediately to SACSCOC.

Name of Site	Physical Address (street, city, state, country) Do not include PO Boxes.	Date Approved by SACSCOC	Date Implemented by the institution	Educational programs offered (specific degrees, certificates, diplomas) with 50% or more credits hours offered at each site	Is the site currently active? (At any time during the past 5 years, have students been enrolled and courses offered? If not, indicate the date of most recent activity.)

Institutions with off-campus instructional sites at which the institution offers 25-49% credit hours for a diploma, certificate, or degree—including high schools where courses are offered as dual enrollment—are required to notify SACSCOC in advance of initiating the site. For each site, provide the information below.

Name of Site (Indicate if site is currently active or inactive. If inactive, date of last course offerings and date of projected reopening)	Physical Address (street, city, state, country) Do not include PO Boxes.	Date Notified SACSCOC by SACSCOC	Date Implemented by the institution	Educational programs offered (specific degrees, certificates, diplomas) with 25-49% credit hours offered at each site	Is the site currently active? (At any time during the past 5 years, have students been enrolled and courses offered? If not, indicate the date of most recent activity.)

Branch campus—an instructional site located geographically apart and independent of the main campus of the institution. A location is independent of the main campus if the location is (1) permanent in nature, (2) offers courses in educational programs leading to a degree, certificate, or other recognized educational credential, (3) has its own faculty and administrative or supervisory organization, and (4) has its own budgetary and hiring authority. ***The list should include only those branch campuses reported and approved by SACSCOC.*** Listing unapproved branch campuses below does not constitute reporting them to SACSCOC. A prospectus for an unapproved branch campuses should be submitted immediately to SACSCOC.

Name of Branch Campus	Physical Address (street, city, state, country) Do not include PO Boxes.	Date Approved by SACSCOC	Date Implemented by the institution	Educational programs (specific degrees, certificates, diplomas) with 50% or more credits hours offered at the branch campus	Is the campus currently active? (At any time during the past 5 years, have students been enrolled and courses offered? If not, indicate the date of most recent activity.)

4. Distance and Correspondence Education

Provide an initial date of approval for your institution to offer distance education. Provide a list of credit-bearing educational programs (degrees, certificates, and diplomas) where 50% or more of the credit hours are delivered through distance education modes. For each educational program, indicate whether the program is delivered using synchronous or asynchronous technology, or both. For each educational program that uses distance education technology to deliver the program at a specific site (e.g., a synchronous program using interactive videoconferencing), indicate the program offered at each location where students receive the transmitted program. Please limit this description to one page, if possible.

5. Accreditation

- (1) List all agencies that currently accredit the institution and any of its programs and indicate the date of the last review by each.
- (2) If SACS Commission on Colleges is not your primary accreditor for access to USDOE Title IV funding, identify which accrediting agency serves that purpose.
- (3) List any USDOE recognized agency (national and programmatic) that has terminated the institution's accreditation (include the date, reason, and copy of the letter of termination) or list any agency from which the institution has voluntarily withdrawn (include copy of letter to agency from institution).
- (4) Describe any sanctions applied or negative actions taken by any USDOE-recognized accrediting agency (national, programmatic, SACSCOC) during the two years previous to the submission of this report. Include a copy of the letter from the USDOE to the institution.

6. Relationship to the U.S. Department of Education

Indicate any limitations, suspensions, or termination by the U.S. Department of Education in regard to student financial aid or other financial aid programs during the previous three years. Report if on reimbursement or any other exceptional status in regard to federal or state financial aid.

1. History and Characteristics

Florida Agricultural and Mechanical University (FAMU) was founded in 1887 as the State Normal College for Colored Students. In 1891, the College received \$7,500 under the Second Morrill Act for agricultural and mechanical arts education and became Florida's land grant institution for colored people. In 1953, the institution was elevated to university status, acquiring its present name. The University's primary geographic service area is the State of Florida; 87% of the students are Florida residents. The University operates a main campus in Tallahassee, FL and a College of Law in Orlando. Additionally, the College of Pharmacy and Pharmaceutical Sciences offers the PharmD via distance education at an off-campus instructional site in Crestview, FL, and operates satellite offices to provide clinical experiences in Tampa, Jacksonville and Miami. FAMU is an 1890 land-grant institution dedicated to the advancement of knowledge, resolution of complex issues and the empowerment of citizens and communities. Expanding upon the University's land-grant status, it will enhance the lives of constituents through innovative research, engaging cooperative extension, and public service. While the University continues its historic mission of educating African Americans, FAMU embraces persons of all races, ethnic origins and nationalities as life-long members of the university community. Admission to the University is on a selective basis. The University is part of the twelve member State University System of Florida. The University offers 53 bachelor's degrees, 28 master's degrees (three of which are also offered in the online format), three professional degrees, and 12 doctoral degrees. The University is composed of 14 colleges and schools: the College of Agriculture and Food Sciences; the College of Education; the College of Engineering (operated jointly with Florida State University); the College of Law; the College of Pharmacy and Pharmaceutical Sciences; the College of Science and Technology; the College of Social Sciences, Arts, and Humanities; the School of Allied Health Sciences; the School of Architecture and Engineering Technology; the School of Business and Industry; the School of the Environment; the School of Journalism and Graphic Communication; the School of Nursing; and the School of Graduate Studies and Research. In fall 2016, the University enrolled a total of 9,614 students in its undergraduate, graduate and professional programs with the following composition:

- 85% full-time, 15% part-time;
- 77% undergraduate, 19% graduate, and 4% unclassified;
- 84% Black, 8% White, 1% Asian, 3% Hispanic, and 4% other.

The University considers as its peer institutions: Howard University, University of Memphis, University of Toledo, University of Arkansas at Little Rock, Cleveland State University and North Carolina A&T State University.

2. List of Degrees

FAMU confers the following degrees:

AA	Associate of Arts
BA	Bachelor of Arts
BArch	Bachelor of Architecture
BCJ	Bachelor of Criminal Justice
BS	Bachelor of Science
BSW	Bachelor of Social Work
DPT	Doctor of Physical Therapy
DrPH	Doctor of Public Health
JD	Juris Doctor
MA	Master of Arts
MASS	Master of Applied Social Sciences
MArch	Master of Architecture

MBA	Master of Business Administration
MEd	Master of Education in Educational Leadership
MEng	Master of Engineering
MHA	Master of Health Administration
MPH	Master of Public Health
MS	Master of Science
MSW	Master of Social Work
PharmD	Pharmacy Doctorate
PhD	Doctor of Philosophy

Degree Completions:

Table 1 on the following page provides the number of degrees awarded for the academic years, 2015-16 and 2016-17*. The academic year includes all summer sessions, the fall semester, and the spring semester.

Note: 2016-17 data is preliminary as of September 1, 2017

*2016-17 degrees awarded data is preliminary.

Note: FAMU offers five (3+3) Legal Scholars pathways for possible early entry into the JD and one (4+1) major. The pathways are through: African American Studies, Criminal Justice, History, Political Science, and Sociology. The 4+1 major is Electrical Engineering leading to a bachelor's and master's in five years.

Definition: Inactive (Suspended) is the cessation of the offering of a program for a finite or indefinite period of time depending upon circumstances. It is an alternative to the termination of a program and can be used to allow for program restructuring.

Institutions with off-campus instructional sites (25-49%)

FAMU does not have any off-campus instructional sites at which the University offers 25-49% credit hours for a diploma, certificate, or degree—including high schools where courses are offered as dual enrollment.

Branch campus

FAMU does not have an instructional site located geographically apart and independent of the main campus of the University.

4. Distance and Correspondence Education

FAMU received approval to offer distance education on November 8, 2010. The programs listed below in Table 4 offer 50% or more of the credit hours through distance education modes.

Table 4. Distance and Correspondence Education

School/College	Program	Mode of Delivery	Note
College of Pharmacy and Pharmaceutical Sciences – Public Health Institute	Master of Public Health (MPH)	Asynchronous and Synchronous	This is an online degree program.
College of Pharmacy and Pharmaceutical Sciences – Crestview, Florida	PharmD	Synchronous	Students attend classes at the off-campus site in Crestview (approved by SACSCOC in 2012). Students are linked via synchronous distance-learning technology and receive didactic instruction simultaneously with students on the main campus in real time.
School of Business and Industry	Executive MBA	Asynchronous and Synchronous	This is an online degree program.
School of Nursing	Master of Science in Nursing (MS)	Asynchronous and Synchronous	This is an online degree program.

5. Accreditation

(1) Table 5.1 below provides a listing of agencies that currently accredit the University and its programs, including the date of the last review by each agency.

- (2) SACSCOC is the University's primary accreditor for access to USDOE Title IV funding.
- (3) Since the University's last reaffirmation in 2009, no USDOE-recognized accrediting agency has terminated accreditation of any FAMU educational programs; the University has not voluntarily withdrawn from any USDOE-recognized agency.
- (4) Within the last two years, the following sanctions or negative actions have been taken by USDOE-recognized agencies against the University:

One of the University's programs (occupational therapy) has received a sanction from a specialized accrediting agency within the past two years, as described below.

A) Accreditation Council for Occupational Therapy Education (ACOTE):

- At its April 9-10, 2016 meeting, ACOTE reviewed the Report of On-Site Evaluation (ROSE) regarding the Occupational Therapy Master's Program at Florida Agricultural and Mechanical University, Tallahassee, Florida, and voted to Grant a Status of Accreditation for a period of 7 years (see Appendix A – ACOTE Letter April 9-10, 2016). The University was requested to develop a Plan of Correction addressing the areas of noncompliance cited below ([see Appendix B – ACOTE Plan of Correction, April 2016](#)). In December 2016, the University submitted a progress report on standard A.5.3 Program Evaluation ([see Appendix C – December 2016 Progress Report](#)).
- In April 2017, the University was notified by ACOTE that the accreditation for the Master's in Occupational Therapy program accreditation status was changed to probationary (program evaluation and certification exam pass rate) ([see Attachment D – Florida A&M 4-2017 letter](#)). On June 20, 2017, the University submitted a Plan of Correction to address the issues cited by ACOTE for standard A.5.6 and a Progress Report for standard A.5.3 ([see Attachment E – ACOTE Narrative and Plan of Correction](#)). Additionally, the University communicated with SACSCOC regarding the status of the program's ACOTE accreditation on April 26, 2017 ([Attachment F – Correspondence to SACSCOC, April 26, 2017](#)) and June 19, 2017 ([Attachment G – Correspondence to SACSCOC, June 19, 2017](#)).

6. Relationship to the U.S. Department of Education

The U.S. Department of Education (USDOE) has not imposed any limitations, suspensions or terminations on the University in regards to student financial aid or other financial aid programs during the previous three years. However, FAMU’s Office of Financial Aid and Scholarships is authorized to participate in Federal Title IV programs by the USDOE under the Program Participation Agreement (PPA) and Eligibility and Certification Approval Report (ECAR) through September 30, 2019 with provisional status ([see Attachment H - FAMU USDOE PPA](#)). FAMU was granted provisional status due to the Federal Perkins Loan Default Rate condition. The Office of Financial Aid and Scholarships has addressed the issue by offering debt counseling to Federal Perkins Loan recipients and collaborating with the University’s Student Success Center and its debt counselors to increase financial literacy and debt management awareness ([see Attachment I – Perkins Loan Cohort Default Rates](#)). As a result, the University has experienced a decline in the University’s Cohort Default Rate (CDR) for the Federal Perkins Program and the Direct Loan Program.

Perkins Loan CDR

- FY 2016 25.60% Draft
- FY 2015 37.99%
- FY 2014 48.75%

Direct Loan three-year CDR

- FY 2013 13.7%
- FY 2012 14.7%
- FY 2011 14.7%
