

OFFICE OF INTERNATIONAL EDUCATION AND DEVELOPMENT TRANSFER OF SEVIS RECORD

Complete and return this form only after receiving official notice of admission from the Office of Admissions. International students admitted and transferring to Florida A&M University (FAMU) must submit this form to the Office of International Education and Development (OIED) before we can issue the appropriate I-20 or DS-2019 form. If you are currently in F-1 or J-1 status, you are considered a transfer for immigration purposes, even if you have just graduated from a degree program or an intensive English language school. You will need to complete PART ONE of this form and please ask an international student advisor at your current school/institution to complete PART TWO of the form, then email form to: int.admissions@famuedu, and if you are eligible, transfer your SEVIS record to FAMU. Your FAMU I-20 or DS-2019 cannot be produced until your SEVIS record is released to FAMU and you have provided proof of adequate funds.

Please be informed of the following:

1. Your SEVIS record can be released and transferred to only ONE school/institution. If you have any questions about the SEVIS transfer process, it is best to discuss your concerns with the international student advisor at your current school.
2. All employment at the current school MUST CEASE upon official release of your SEVIS record to FAMU. You may work only at the school that has responsibility for your SEVIS record. If you are approved for Optical Practical Training (OPT), your OPT cancels out on the release date of your SEVIS record to FAMU.
3. You will be required to attend new international student orientation.
